Completion Report for Special Inspections of a Particular Construction Item

Permit No: _____ **Project Address:** _____

Special Inspections Engineer of Record: _____

Construction Item: _____

Pursuant to the requirements of the District of Columbia Special Inspections for construction item specified for this permit have been completed. The building elements subjected to special inspections have been found to be in compliance with approved construction documents, conformance with project specifications and the District of Columbia Building Code. Discrepancies discovered during the conduct of special inspections for permit were brought to the attention of appropriate registered design professional of record, the General Contractor, and Building Code Official for resolution and have been corrected and approved.
