Contract Services Agreement

I. Parties A. This contract is hereby entered into by Nova Spray Foam Insulation, LLC/Nova Foam Concrete Leveling, LLC henceforth "installer" and customer hereinafter referred to as "Client". II. Scope of Work a. Installer shall be employed as an independent contractor and shall provide the services, materials, labor, and supervision to complete the portion of work described in the duly signed and executed estimate document for the property, hereinafter "Services" for the above referenced project, together with such drawings, specifications and addendum as related thereto: i. Construction plans ii. Scope of Work (Estimate) III. Price and Terms of Payment a. In consideration of the Installer's performance of this contract, and at the times and subject to the terms and conditions hereinafter set forth, Client shall pay to Installer the total sum as indicated on the estimate/contract as presented to the Client. b. Client will pay a deposit of 50% of the estimate/contract total at least 7 days prior to scheduled job start date c. Client will pay remaining balance of the contract price within 15 days of completion of the Scope of Work d. In the event that any obligations, as a result of this contract, are placed in the hands of a collection agency, the Client agrees to pay all costs of collection including responsible attorney fees in addition to an interest rate of 1.5% per month on any outstanding balance IV. Amendment a. This contract shall only be amended or modified by written document executed by authorized representatives of Installer and Client. This contract supersedes any other written and or verbal communications made previous to this agreement. V. Addendum(s) a. Additional information regarding Nova Spray Foam Insulation, LLC and/or Nova Foam Concrete Leveling LLC processes unique to those products are included in the Addendum sections below. VI. Assignment b. Any assignment of any part of this contract is prohibited and void without prior written consent of Installer. VIII. Governing Law; Venue: This Agreement shall be construed and governed under the laws of the State of Virginia, without application of conflict of law principles. All actions or counterclaims regarding the enforcement or interpretation of this Agreement shall be initiated and prosecuted exclusively in that state court sitting in, or the federal court having jurisdiction over, the county in which the work was performed. Nova Spray Foam Insulation, LLC/Nova Foam Concrete Leveling, LLC and Client both consent to the jurisdiction and venue of such courts and expressly waive objections based on the doctrines of personal jurisdiction and forum non convenes.

Addendum – Nova Spray Foam Insulation, LLC

I. Client Responsibilities a. Removal of all objects in the work area where the Installer will be working (unless otherwise stated in the scope of work). Additionally, Client holds the installer harmless if damage occurs to objects left in work area during installation. b. No one shall be present in the work area, inside or outside, during the scheduled installation of spray foam insulation. This includes other subcontractors. Re-entry to property is not permitted by homeowner for 24 hours after completion of the job. c. Provide adequate access to the site for installer's crew and equipment. The Installer reserves the right to charge Client an additional \$250.00 for incorrect information regarding accessibility to the site, resulting in additional costs to the Installer d. Installation of necessary building components needed prior to our services for all surfaces and areas included in the Scope of Work (estimate) prior to the scheduled start date. The Installer reserves the right to charge Client an additional fee of \$250.00 for areas requiring additional prep work prior to treatment. e. Installer shall cover all finished surfaces identified in writing by Client as subject to damage due to overspray. Client releases Installer from liability resulting in damage from overspray. f. Where applying spray foam to the underside of any roof deck, the soffits must be fully closed off to prevent any foam from dripping on the exterior of the building below the eaves.

Addendum – Nova Foam Concrete Leveling, LLC

I. Client Responsibilities a. Removal of all objects in the work area where the Installer will be working (unless otherwise stated in the scope of work). Additionally, Client holds the installer harmless if damage occurs to objects left in work area during installation. b. No one shall be present in the work area, inside or outside, during the scheduled installation of foam lifting materials. This includes other subcontractors. c. Client may walk on sidewalks and patios immediately after lifting. d. Client must refrain from driving and/or parking on driveways for one hour for foam lifting. II. LIMITED WARRANTY: On concrete over 10 years old, Nova Foam

Concrete Leveling, LLC will re-lift once, in a two-year period, if necessary, any areas that have resettled more than a 1/4". A re-lift constitutes using the same holes. There may be a \$150.00 service fee applied for the truck to return for a re-lift not covered under the limited warranty or any other reason. This warranty does not include patches applied to or placed between the slabs. This warranty is void if the customer does not seal all cracks and joints on the slabs or maintain BACKFILL along the slabs involved or if resettling occurs as a result of flooding or other acts of God.

This Contract is hereby duly authorized and executed, Installer: Nova Spray Foam Insulation, LLC and/or Nova Foam Concrete Leveling LLC P.O. Box 895 Purcellville, VA 20134 855-668-2362
